LinkUp Technology

INTERNSHIP CERTIFICATE

Date: 25 May 2026

To whom it may concern,

This is to certify that Mr. Navin Bhandari was associated with LinkUp Technology, Letang-9, Morang, Nepal, as an AI Engineering Intern from October 2025 to March 2026.

During his internship, Mr. Bhandari demonstrated strong learning ability, problem-solving skills, technical adaptability, and a professional approach to developing AI-powered and data-driven applications.

He gained practical experience in AI engineering, intelligent application development, data engineering, automation, cross-platform development, software integration, and modern application technologies. He contributed to the development, testing, debugging, and optimization of dynamic applications incorporating AI-driven features and solutions.

He worked effectively both independently and as part of a team, demonstrating analytical thinking, communication, collaboration, accountability, and continuous learning.

We appreciate his valuable contributions to LinkUp Technology and wish him continued success in his future career in Artificial Intelligence, Data, and Technology.

Sincerely,.

Laxman Khatiwada
